

# *Hello Neighbors,*

Welcome back to **Hangers Cleaners**. We hope that you fared as well as possible during our week of fires. All is well with **Hangers Cleaners**. Our Mission Valley and Downtown stores remained open normal hours, while Torrey Hills was open for reduced hours Monday and Tuesday, and Santaluz was closed until Thursday. We are happy to inform you that all of the interiors of the store and all of your clothes were completely unaffected by smoke and ash. We took precautions at all stores, particularly at Torrey Hills and Santaluz, to ensure that no smoke or ash would enter the space. Like all San Diegans, we have a heavy heart for those most affected, and like all San Diegans we are now ready to get back to normal.

Having learned a lot about fire restoration work in 2003, we are ready to help in that effort once again. While that is not our normal specialty we are well positioned to help our customers and neighbors. With **Hangers Cleaners** helping in your restoration project you will be dealing with a local company; your clothes will be handled by San Diegans. Also, CO2 is particularly effective in removing smoke odors, so we can take care of any restoration work WITHOUT the use of harsh chemicals. We have 2 vans available for pick up and delivery. We can handle short term storage, and can arrange for longer storage as needed. We can do emergency, rush orders for immediate needs. And finally we are your neighbors, we care about how this event has affected you, and we are dedicated to help out in the recovery.

Let me know if you would like to discuss how **Hangers Cleaners** can help. Contact a store, call direct: 619.994.7712, or email: [hangsd2169@aol.com](mailto:hangsd2169@aol.com).

*Gordon Shaw,  
and your friends at Hangers*
